Helping At-Risk Kids

Kids and Canines gives at-risk truarit middle school teens a new "leash" on life. Students are paired with a dog, for the purpose of training the dog to be a helpmate to a person with physical disabilities, or a child

We have a proven track record:

- Student attendance has improved by 37%.
- Reading and mathematics scores have improved dramatically.
- Grade Point Averages have risen by 25%.
- Students are becoming leaders in school.

Scan of promotional brochure (front and back); pictures I modfied are indicated with arrows.
